**ORDER**

In the Orders read above, Government proposed to create water harvesting structures in 10.85 lakh acres of dry land under the Community Managed Sustainable Agriculture (CMSA) programme as MGNREG convergence project with SERP. Under this arrangement, it was proposed that SERP will be the implementing agency for 2.93 lakh acres of SC/ST lands in 3,244 villages; and in the other small and marginal farmers, NREG staff will implement the programme.

2. The Commissioner Rural Development, Hyderabad proposed that it would be in order to entrust all the 'works' component to the NREGS staff since they are specialized in mobilizing the labour and to effect payments every week without delay. SERP is also of the opinion that their main activity of Non-pesticide management is getting adversely affected due to the preoccupation with the works component.

3. Government after due consideration of the above, and in partial modification of the orders issued in the above stated G.O. direct as follows:

- a) The entire works component (of the present CMSA estimate) i.e. trench, conservative furrows and farm pond - should be executed by NREGA staff only.
- b) The other components of the CMSA estimate will continue to be implemented by SERP.
- c) All the works yet to be taken up under this component should be executed in the above manner.
- d) Identification of lands of SC/ST farmers in 3,244 villages for 2010-11 programme shall be completed by SERP. They will complete the data entry at the respective DCCs. This data will later be transferred to the respective MCCs for execution as stated above.
- e) All works identified in the above manner shall be considered and approved in the Grama Sabha as per the provisions of the MGNREG Act.
- f) The instructions in Para 3 (g) of the aforementioned G.O. are withdrawn; and works shall be opened as per the demand for work.

**Contd..**

**-2-**

4. The Chief Executive Officer, SERP and Commissioner Rural Development are requested to take action accordingly and complete the preparation of shelf of projects in accordance with the provisions of the Act early.

5. A copy of this order is available on the Internet and can be accessed at the address: <http://www.rd.ap.gov.in>.
